

## Venice Shark's Tooth Cup

April 1, 2006

Three races in the Gulf off the Venice Inlet; triangles for NSPIN and Cruising classes; windward and leeward for the Spinnaker class. Winds of 7 kts for the first race and 9 – 10 kts for the third race. Lots of sunshine and small waves made for a great day of sailing. Beverages and a Tiki Buffet followed the races. Assisting Principal Race Officer Allen Becker were Jim Eve, Dan Dees, Dianne Hermann, and Judy Becker. In the two stake boats were Don Berg and Bob Farrell and Jerry Scannell and Jim Johnson who were kept busy moving marks as the winds gradually shifted from south to the west.
